RPW230 Problem Solving in PTW
Evaluation: Interview Podcast (IP)

The checklists indicate project elements where your submission meets expectations, and if applicable, where it still could benefit from further development or continued refinement. (The key to the evaluative comments is included below the checklist.) Your score by category appears in the Project Evaluation to the right.

Project Evaluation

Total Points (200 possible)	score
Content (80 points possible)	score
Design & Delivery (80 points possible)	score
Professionalism (40 points possible)	score

Evaluation Criteria: Content

eval Memos of Transmittal are framed properly, provide appropriate context & discussion of the project, & request appropriate action regarding the accompanying project.

eval Participants and topics for podcast identified in the opening moments.

eval Podcast composed of coherent, topically focused discussion among participants.

eval Podcast closes professionally.

eval Podcast treatment provides appropriate detail about the participants, topic(s), keywords, & discussion outline.

Evaluation Criteria: Design & Delivery

eval Memos of Transmittal meet format/layout expectations for the genre.

eval Podcast audio is strong, clear, & free of glitches or production issues.

eval Treatment establishes & maintains a strong, consistent visual logic.

Evaluation Criteria: Professionalism

eval Submission includes the required, properly labeled files in appropriate formats posted to the designated location.

eval Podcast & treatment demonstrate professionalism & attention to detail.

eval Written & audio content are grammatically sound (within acceptable norms for professional presentation).

eval Written & audio content are stylistically appropriate (economical, direct; within acceptable norms for professional presentation), & utilizes audience-appropriate terminology.

Evaluation Criteria Key

yes evident, more successful than not
nw evident, but needs work
no not evident, or in need of significant work
na does not apply to this submission
